- (a) A producer or trader of primary or transformed energy;
- (b) A distributor or transporter, including importers or exporters, of energy products;
- (c) Final energy users.

3. The following additional functions in relation to the reporting of statistics are conferred on the Sustainable Energy Authority of Ireland:

- (a) To collect data from a competent authority and from electricity and natural gas suppliers on gas and electricity prices in accordance with the requirements of Regulation (EU) 2016/1952 of the European Parliament and of the Council of 26 October 2016 on European statistics on natural gas and electricity prices.
- (b) To collect data from a competent authority and from undertakings concerning energy products and their aggregates in accordance with the requirements of Regulation (EC) No. 1099/2008 of the European Parliament and of the Council of 22nd October 2008 on Energy Statistics.
- (c) The Sustainable Energy Authority of Ireland shall have the power to issue Directions to a competent authority, electricity and natural gas suppliers and undertakings in order to perform its data collection functions pursuant to Regulation (EU) 2016/1952 of the European Parliament and of the Council of 26 October 2016 on European statistics on natural gas and electricity prices and Regulation (EC) No. 1099/2008 of the European Parliament and of the Council of 22nd October 2008 on Energy Statistics.

GIVEN under my Official Seal,  
28 March, 2024.

EAMON RYAN,  
Minister for the Environment, Climate and  
Communications.

EXPLANATORY NOTE

*(This note is not part of the Instrument and does not purport to be a legal interpretation.)*

This S.I. pertains to the conferral of additional functions on the Sustainable Energy Authority of Ireland (SEAI). The functions being assigned to SEAI relate to requirements under Regulation (EU) No 2016/1952 of the European Parliament and of the Council of 22 October 2016 on European statistics on natural gas and electricity prices and repealing Directive 2008/92/EC and to requirements under Regulation (EC) No 1099/2008 of the European Parliament and of the Council of 22 October 2008 on energy statistics.
